## Location & Local Information

When visiting Barbados, the first thing you are sure to notice are the gorgeous and renowned flat white sand beaches. On the west coast of Barbados, miles of coral shore beaches and fine white sands stretch along a hypnotising turquoise sea. The West Coast of Barbados is also fringed with countless breath-taking Coral Reefs to provide excellent snorkelling and scuba diving opportunities. The South Coast also offers something for everyone and is a curious mixture of the Caribbean Sea and the Atlantic Ocean. Here you can swim in calm waters, snorkel over the inshore reefs and tidal pools, and at the southernmost tip of the island, you can windsurf.

The villa is located on the West Coast of the island, which is not only a great area to enjoy the sea, but it also offers the best variety of activities and attractions on the island. Holetown is only 6 km away from the holiday home, so a visit to Barbados' oldest settlement is a must! The town has several attractions of interest. Chattel Village is a combination of quaint and colourful shops with great local products. The picturesque town also includes a variety of bars, restaurants and good snorkelling spots!

Inland Barbados is delightful to explore, enchantingly quiet and rural, there are endless fields of sugar cane dotted with old plantation houses. Within less than 30 minutes driving you can go wildlife spotting at Welchman Hall Gully. This Tropical Forest Reserve is home to wild monkeys and majestic rainforest trees. A visit to this tropical hideaway makes a great day out with the family!

While on Barbados, a taste of the island's rum is a must! The isle has been producing rum for over 350 years, and it is recognised internationally for its quality. Many tours and taster sessions are available at the local distilleries.
