Location & Local Information

Villa Aryballos is located amidst beautiful olive grove and fragrant pines. The villa is close the amentities of Plomari and is not far from Mytilene Airport. You will be relaxing in your luxurious villa in no time!

The beautiful island of Lesvos is awash with gorgeous scenery, medieval castles, ancient monuments, charming villages and plenty of museums. The most famous museum is The World of Ouzo Museum which is very close the villa. It is situated in Isidoros Arvanitis in a fabulous olive grove, just a few minutes from Plomari. The distillery has been going for more than 120 years and exports its delicious ouzo to more than 30 countries around the world. Visitors can taste and buy the ouzo. Other fascinating museums include the Archaeological Museum of Mytilene, the Iakovidis Digital Museum and The Museum of the Petrified Forest which was founded in 1994 to research, promote, display, preserve and protect the unique forest. The Petrified Forest, 12 km from Sigri, is a rare natural site which was officially declared a natural monument in 1985. It was petrified because of the intense volcanic activity of the area. The Vranas Olive Press Museum in Kaloni is housed in a beautiful industrial building built by Nikolaos Vranas, the grandfather of the poet Odysseas Elytis. It operated until the early 1970's.

Lesvos' hot springs, health inducing spas are dotted aroung the island. Many have been used for thousands of years for rheumatism, arthritis, gynaecological and dermatological ailments as well as kidney and gallstones, neurological ailments, bronchitis and sciatica. The main locations are Efthalia, Thermes and Gera. The island's landscape is rugged with mountains and lush forests. If you visit the island in the spring, you will be rewarded with one of the most amazing displays of wildflowers and wild birds you will ever see. Lesvos is a major stop in the migration routes of European birds coming from Africa. Although there are many birdwatching spots around the island, the most famous is the salt lakes close to Kalloni, in the centre of the island. The island is renowned for its high-quality olive oil as well as its ouzo. Lesvos is sprinkled

with many picturesque villages. The village of Molyvos is a must visit for its spectacular views of the Aegean Sea. An imposing medieval castle sits above the village where it used to protect the village from invasions. You can take some lovely boat excursions from Molyvos. The ancient walls of Molyvos were once beseiged by Archilles himself. Other pretty villages include Mytilene, Agiossos and Skala Sikamias. The seaside town of Sigri is very popular, a remote outpost of Greek island tourism. Other attractions include the Castle of Mytilene, the Monastery of Saint Raphael, the Ipsilou Monastery, The Ancient Theatre of Lesvos and the Roman Aqueduct which dates from the 3rd century AD. The Castle of Mytilene was originally built in medieval times but has undergone many transformations by the Genovese and the Turks.

The 23 beaches of Lesvos are usually small pebbled bays, some totally secluded even in high season. Villa Aryballos is close to Ammoudeli Beach, Agios Isidoros Beach, roughly 10 miles from Vatera Beach, 3.3 miles from Melinda Beach and 6 miles from Tarti Beach. The stunning Vatera Beach is as long as many of the Cyclades islands themselves. Vatera, Petra and Molyvos beaches offer excellent watersports and are organised with plenty of sun loungers and umbrellas.

There are so many other fascinating ancient buildings, churches, monasteries and museums on Lesvos to visit. You really need at least two weeks to discover this amazing island!
