

Villa Banus Mar

Region: Costa del Sol **Sleeps:** 16

Overview

Set in the impeccably trendy Puerto Banus region, Villa Banus Mar may catch you by surprise as it's actually two separate buildings. That's right - two! Allowing ample space for large groups of friends and families to holiday together whilst maintaining their own personal space, Villa Banus Mar is just the ticket.

With a combined total of seven bedrooms across the two properties, Villa Banus Mar has everything you need to enjoy a fun-filled group holiday in the sun. In fact, this property is especially popular with families with older teens who appreciate that little extra slice of independence while still remaining close to their families.

Although separate, the properties are connected by a covered walkway and a gate, allowing easy access and free-roaming between the two for residents. The two villas that makeup Villa Banus Mar share a single courtyard, providing plenty of space for vehicles.

Sharing facilities, each villa is decorated lavishly with stylings reminiscent of Hollywood luxury. Stylishly furnished from top to bottom, you can tell immediately that every care has been taken with the interior design of Villa Banus Mar so that you can feel right at home with seaside luxury.

Each property has a large spacious lounge area, complete with its own unique decorating style, with comfortable sofas and a large TV for group viewing and relaxation. Fully equipped kitchens and large dining areas allow each group to prepare and enjoy their own meals, giving you the freedom to come together for meals or do your own thing whenever you fancy.

There's also a games room featuring additional seating, a

full-sized pool table and a casino-style blackjack table for when you want to try your luck against one another.

The first building, which is the larger of the two, comprises four elegantly decorated bedrooms, each with a queen-sized bed, a private bathroom and stunning views of the sea. The second building features three bedrooms, decorated in the villa's unique style, and each features a private bathroom and views of either the sea or patio.

Outside, the combined grounds of the two properties give lots of room for your group to spread out and enjoy themselves. With the benefits of two swimming pools, almost direct access to the beach, an outdoor bar, an outdoor dining area and a barbecue, you'll never want to leave Villa Banus Mar.

What we love

- Travelling with six older teenagers, they loved being able to have their own space and 'home' during our stay.
- Being so close to everything from stores to beaches was ideal, especially when travelling as a large group with children.
- Villa Banus Mar is absolutely gorgeous no matter which residence you choose to make yours during your stay.

What you should know...

- While it's relatively easy to get around Puerto Banus, you'll benefit from renting a car if you plan to travel around the region.
- Villa Banus Mar is split across two distinct properties, so if you like to all be under one roof this might not be the villa for you.
- As the villa is very close to a public beach, you may occasionally get some noise from passers-by and events.
