

Villa Manel

Region: Ibiza **Sleeps:** 8

Overview

An opulent and attractive villa located in Ibiza Town, Villa Manel allows guests to roam free in one of the most beautiful areas in the region. The exterior of this property is tremendous, blending an expansive swimming pool with an effortlessly manicured lawn. In turn, guests can explore the calming water as well as the fresh grass at their own pace. The outdoor areas are also accompanied by various sun loungers and parasols, giving guests a plethora of space to relax. The exterior is also home to a tremendous outdoor terrace, equipped with a grand outdoor seating area. As such, guests can cook amazing meals on the high-end barbecue whilst gazing out at the magnificent scenery.

As you enter the ground floor of the property, you will see the minimalist, yet homely, lounge area. The bright white walls help to balance out the dark tiled floor, creating an attractive sense of contrast throughout the space. This area also includes a large white leather sofa for guests to relax on. Moving on to the dining area, this space follows a similar theme to the lounge. The dark wooden table and matching chairs help to create striking contrast in this bright and airy room. Thus, guests can devour a plethora of delicious meals in a comforting and alluring space. The kitchen has everything you would need in order to have a comfortable stay, using off-white cupboards and dark surfaces to adhere to a similar contrast. The ground floor also hosts three large bedrooms. Each room includes a spacious double bed as well as an array of ornate furnishings. These rooms also share a luxurious bathroom with a shower. Thus, guests have enough space to sleep each night peacefully.

Upstairs, you will find the fourth bedroom. This room also makes use of a double bed as well as an en-suite bathroom with a bathtub. As a result, this room becomes a little more secluded than the others. The fourth bedroom also leads out to an outdoor terrace, allowing guests to gaze out at the awe-inspiring sea views as they awake each morning.

***** Please note that another house is being built near the plot.**

Location & Local Information

Villa Manel is close to a wide range of tourist attractions, helping this property to stand out amongst tourists who want to dive deep into all of the action. The riveting region of Ibiza Town is just 4.5km away, allowing guests to immerse themselves in the energetic nightlife scene. If you are travelling to Ibiza to explore the wide range of clubs, then this is a perfect place to start. Attractions such as HEART Ibiza have become a fan favourite amongst both tourists and locals. This intuitive nightclub was founded by the Adria Brothers and Guy Laliberte from Cirque du Soleil, creating a high-energy and immersive atmosphere every night. If you are looking for something a little more relaxed, Veto offers artisan cocktails and a small dance floor for guests to make good use of.

Ibiza is also well known for its rich and intriguing history, seen by Dalt Vila, one of the city's most popular tourist attractions. This archaic town is just 5-minutes away from the centre of Ibiza Town, making it a very accessible attraction. Dalt Vila is a fortified town known best for its looming 16th-century walls. Guests are encouraged to meander through the cobbled streets and wander towards the harbour for a collection of breathtaking views. Many locals have praised the sheer beauty of the town, and it is even listed as a World Heritage Site by UNESCO.

Just a 2-minute walk away from Ibiza Town resides Paseo Vara de Rey, an idyllic avenue that is teeming with unique shops, cafes, and sights. This destination is also home to Ibiza's oldest hotel, the Gran Hotel Montesol, as well as the Hard Rock Cafe Ibiza. The street is filled with beautiful trees that produce remarkable blossom flowers during the summer months. Here, you will be able to gain a better grasp of the region's history, such as the incredible statue of Joaquin Vara de Rey. During peak seasons, the street is also lined with singers and performers that attract large crowds in the centre of the streets, creating a bustling hub of energy for tourists to enjoy.
