Location & Local Information

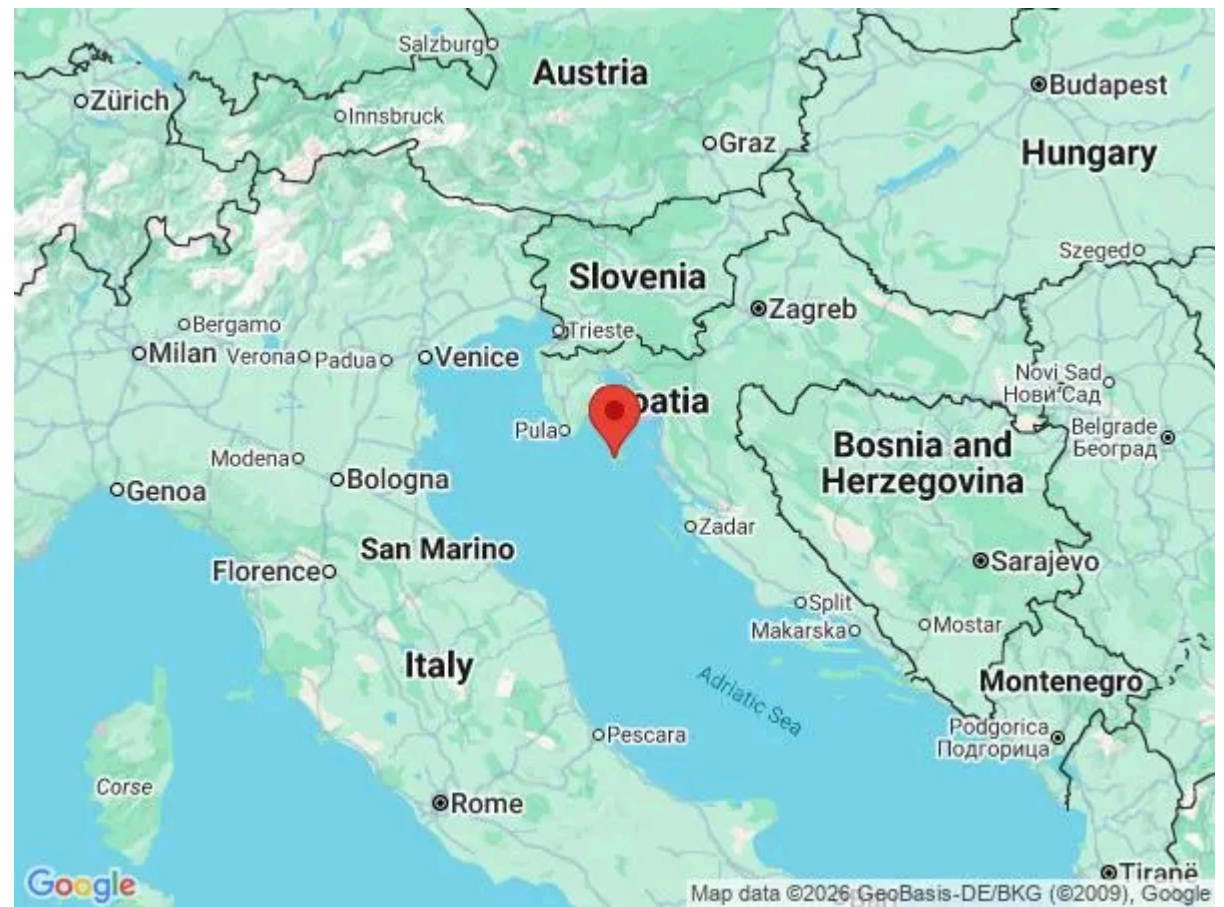

Villa Nerezine is located in the peaceful village of Nerezine on the island of Lošinj, one of Croatia's most captivating islands in the northern Adriatic. Surrounded by quiet lanes and greenery, the villa offers a relaxed setting where guests can enjoy a slower pace of life while remaining within easy reach of local amenities, beaches and waterfront restaurants.

Lošinj is known for its crystal-clear waters, sheltered coves and aromatic landscapes, where wild herbs and pine forests scent the air. Once celebrated for its health-giving climate and sea air, the island continues to attract visitors seeking nature, outdoor pursuits and authentic Croatian charm. Explore the colourful harbour town of Mali Lošinj, visit the Museum of Apoxyomenos, or venture to nearby Veli Lošinj, a historic seaside settlement with attractive waterfront promenades and cultural landmarks.

The village of Nerezine retains its fishing heritage and welcoming atmosphere, with a selection of traditional restaurants, cafés and local shops just a short distance away. Whether you're spending your days discovering hidden beaches, hiking scenic coastal trails or taking a boat trip to neighbouring islands, Villa Nerezine provides an excellent base from which to experience the beauty and character of Lošinj.

What we love

- We love the selection of kids' toys at the property. Alongside badminton and the trampoline, there's lots of fun for kids and adults alike.
- As well as the fragrant air, being able to cook up your own pasta or pizza whilst adding some of the home-grown herbs from your very own garden really transports you into the past.
- We enjoy the blend of old and new. It's easy to avoid the modern world, but if you miss it, Netflix is only a room away.

What you should know...

- Please ensure you carry cash. Village life is very authentic and not everywhere accepts card.
- Pets are welcomed at the property, but arrangements must be made first. Although the area is fenced in and the surrounding roads are quiet, animals should still be monitored.
- Mali Losinj is the largest town and is about a 19 minute drive from the property. By bus or if walking, the journey closes in on three and a half hours, making a car preferable.
