The striking red sofas help to add a splash of colour to this already bohemian space. The dining area within this property follows a more rustic theme, including a large wooden table and matching chairs. This is a perfect space for communal dining experiences and for enjoying each other's company. The kitchen also adheres to a similar theme, using a pastel green colour scheme to create a more homely cooking environment.

Villa Padron includes five opulent suites, each decorated in its own style, ensuring that every guest has a unique space to rest every night. This property also includes an additional sofa bed that transforms into a comfortable

single bed, and there are also two extra beds that can help accommodate two other guests. As a result, this expansive property can host up to 14 guests at one time, making this property perfect for large groups and families.

## Location & Local Information

Despite its ever-reaching grounds, Villa Padron is within close proximity of a wide range of amenities and tourist destinations. The House Museum of Rosalia de Castro is just over a 10-minute walk away from the centre of Padron, bringing guests right into the bustling hub of the region's local history. The Rosalia de Castro Patronage founded this museum in 1947, as a way to preserve the rich legacy and history of this incredible poet and writer. The house is surrounded by looming trees and plants, making this a beautiful location to explore. The museum itself hosts a large collection of de Castro's original writings as well as a few of her personal belongings.

Hiking is a very popular activity within Padron and surrounding areas due to its impeccable and truly stunning landscapes, but also because it's the last stop on the 'Camino Portugues' of the Camino de Santiago. Santiago de Compostela is home to multiple hiking trails and is located just 25 minutes away from the centre of Padron. Take your time to meander through the awe-inspiring forests and stroll along the tranquil streams. All of these hiking routes lead back to a popular cathedral within the region, which makes exploring all of the popular tourist destinations an easy feat. The main hiking path, also known as 'The Way', was named a UNESCO World Heritage Site in 1987, helping the site to attract an abundance of tourists every year.
