Location & Local Information

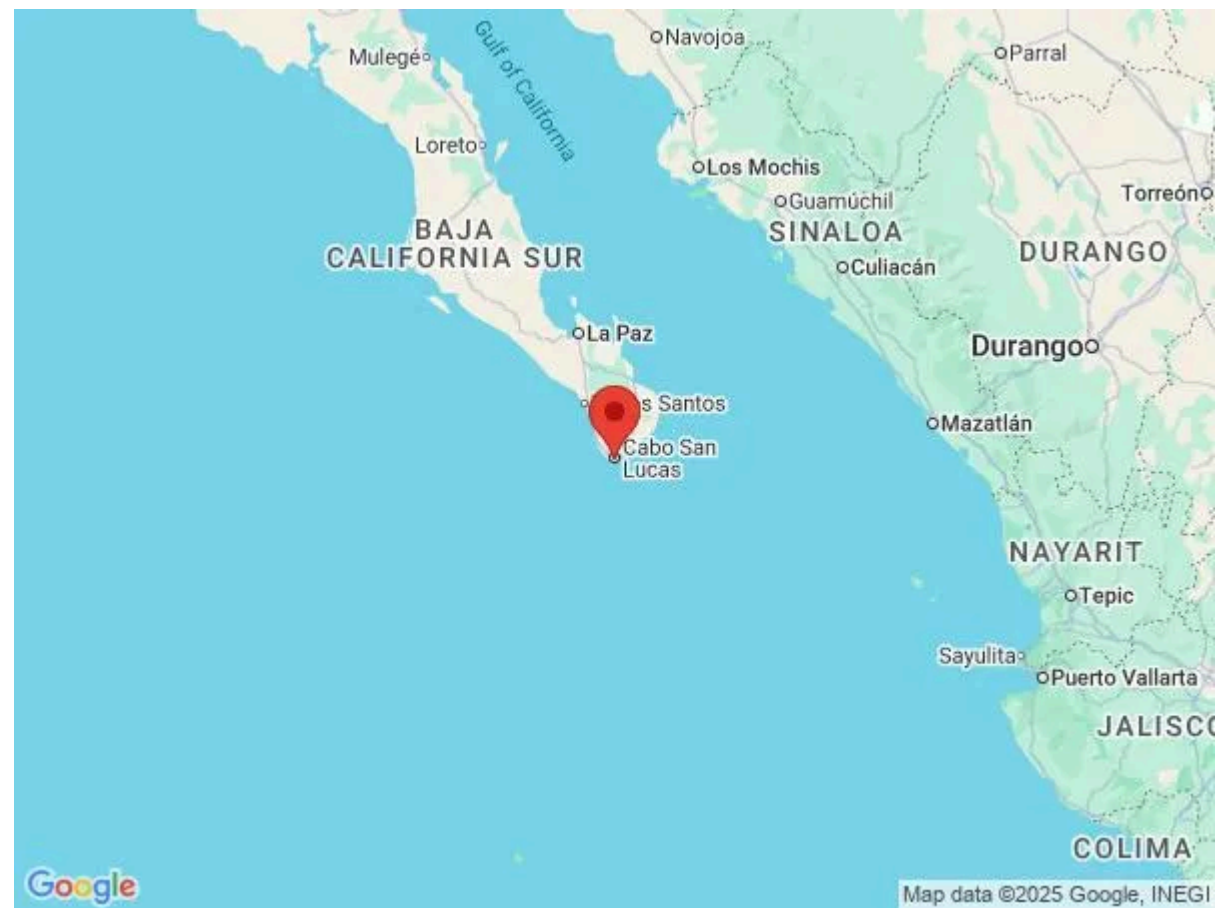

Puesta de Sol is situated in an exclusive and safe (gated and secured) resort of Hacienda, which is set on an exclusive stretch of the fantastic Medano Beach, offering you some exceptionally stunning views.

Hacienda is an oasis of peace but just in case you are after some buzz and excitement - the famous Cabo San Lucas is only a short walk away, offering a vast number of perfect spots for eating out, drinking, shopping and having fun! Despite being almost in the centre of Cabo, Hacienda occupies a huge 22 acre land and offers truly great services and facilities for its guests.

Relax at the beach club, by one of the two infinity swimming pools, taking in the view and lapping up the sunshine or head to the spacious gym to keep up your workout regime while on holiday. You can also pick from a range of classes (yoga?) or visit the spa. You don't need to go far to get some delicious food, traditional Mexican food at the resort's finest Cocina y Cantina is awaiting the guests with an offer of some oceanfront view. You can sample fabulously fresh regional dishes and head for drinks at the Palapa Bar later. You will always have a 24h concierge to answer all your questions and address any issues. They can book a large range of activities and Hacienda is in fact a fully-equipped beach activities centre for kayaking or paddleboarding.

The resort offers the best views of the Land's End and its arch in particular - due to its positioning as the most southern point in Baja California. Worth seeing it close up and you might come across some relaxing sea lions but if you're thinking of swimming - stick to the Cortes sea side, as the Pacific side is known for some tricky currents.

Most fishing and sailing charter companies are headquartered on the Marina, but Medano Beach is the best place to find water-based activities such as wave runners to stand up paddle surfboards and parasailing tours, allowing adventurous types to experience incredible views of Land's End from hundreds of feet in the air. You

can also go for motorised hang-gliding flyovers of all the local landmarks. If you are into arts then make sure you come over in Jan/Feb to attend Todos Santos Art Festival, which offers it all, dance shows, poetry reading, painting exhibitions and many more.
