# Location & Local Information

Cap Maison Resort and Spa is located to the north of St. Lucia, overlooking the beautiful Caribbean Sea. Driving to Cap Maison Resort from Hewanorra Airport takes around an hour and 45 minutes, if you're flying into St. Lucia directly from the UK. If you're arriving to the island via Castries, either by air or sea, you can expect a journey of around 30 minutes.

Once at Cap Maison Resort, the immediate area is lovely and quiet with only a handful of neighbouring properties nearby. While this is perfect for those looking to enjoy a tranquil and laid-back escape it may not suit visitors who like a lively holiday. Smugglers Cove, a beautiful white sand beach, is just a two-minute walk away from the Cap Maison grounds.

If you only want to let your hair down and leave Cap Maison on occasion, the nearest social hubs are Gros Islet and Rodney Bay, both of which are about 15 minutes away by car. In Rodney Bay and Gros Islet you'll be able to mingle with the locals, try delicious local dishes, hit the clubs and go shopping.

Castries, about 30 minutes to the south of Cap Maison 2 Bed Courtyard, is also worth a visit. As the island's capital, Castries is full of life, history and culture. The buzz in the city is second-to-none, especially on days when the cruise ships dock and the city comes alive with people from all over the world taking in the sights of the beautiful capital.
