Overview

Specially designed with comfort and style in mind, the exclusive Cap Maison resort invites guests to stay in one of its beautiful courtyard villas. Overlooking the charming Spanish Courtyard, the Cap Maison Three Bedroom Courtyard Villa is a thoughtfully designed and elegantly decorated retreat within this renowned Relais & Châteaux resort.

This lovely three bedroom villa draws inspiration from traditional Caribbean architecture while incorporating subtle Spanish influences. Arranged around a Spanish style courtyard, the villas create a welcoming sense of community while still offering privacy and space for families or groups.

Inside, the villa blends classic Caribbean character with contemporary comfort. Rich woods typical of St Lucian design contrast beautifully with bright Mediterranean inspired furnishings, creating a warm yet airy atmosphere. Terracotta style tiles help keep the interiors cool while adding to the relaxed island aesthetic. The living room features a comfortable lounge area for relaxing together, alongside a family style dining space perfect for shared meals. Wide patio doors open onto a private balcony overlooking the communal pool and courtyard below.

Just off the living space is a convenient fully equipped kitchenette, ideal for preparing light meals and refreshments. For evenings when you prefer to dine out, Cap Maison offers an excellent selection of restaurants within the resort.

The villa features three comfortable bedrooms located just off the main living space. The master bedroom offers a king size bed and connects to a second bedroom which can be configured with either a queen size bed or two twin

beds. The third bedroom includes a king size bed. Each bedroom has its own private en suite bathroom, television, in room safe and access to a veranda.

During your stay you can also enjoy the wider facilities of Cap Maison, including the fitness centre, spa, beach activities and the exceptional service that defines this celebrated Relais & Châteaux property.

Location & Local Information

Cap Maison enjoys a stunning position on the northern tip of St. Lucia, overlooking the sparkling Caribbean Sea. Set on a gently elevated bluff, this elegant Relais and Châteaux resort offers sweeping views across the ocean and the island's lush tropical landscape.

The resort is located around two hours from Hewanorra International Airport in the south of the island. Guests arriving via the smaller George F. L. Charles Airport in Castries or from a cruise port can expect a much shorter transfer of around 30 minutes.

Once you arrive, you will find plenty to enjoy both within the resort and nearby. Cap Maison offers a relaxed setting with excellent dining, beach access and a range of activities, while the surrounding area provides plenty of opportunities to explore.

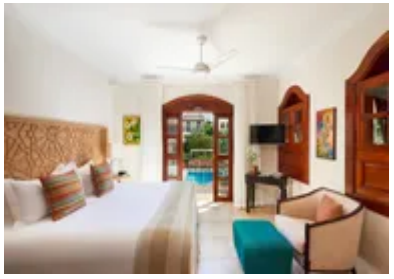

Just below the resort lies Smugglers Cove, a secluded sandy beach with calm waters and a vibrant reef nearby, perfect for swimming and snorkelling.

A short 15 minute drive brings you to Gros Islet and Rodney Bay, two of the island's most popular social hubs. Here you will find lively beach bars, restaurants and local street food. On Friday evenings, Gros Islet hosts its famous weekly Jump Up, a vibrant street party filled with music, dancing and authentic island atmosphere.
