Location & Local Information

Cap Maison is located on the northernmost side of St. Lucia, facing out over the Caribbean Sea. From its slightly elevated location, Cap Maison enjoys fabulous vistas over the sea and surrounding landscape.

As the property is located quite far away from St. Lucia's main international airport, it may take up to two hours to get to your Cap Maison 3 Bed Courtyard once you arrive on the island. However, if you're arriving from another Caribbean island or disembarking from a cruise ship, you may only have a 30-minute transfer from Castries.

Once in-situ and settled into your villa, you can begin to explore the area in more detail. While Cap Maison has everything you need to enjoy a laid-back holiday in the sun, you're not too far away from a lively social scene and fun-filled activities should you want to mix things up one day.

Your nearest beach is a small cove, lovingly known as Smugglers Cove amongst the locals, which is just a short swim away from a beautiful reef home to a wonderful variety of marine life.

Just a 15-minute drive to the south of Cap Maison, you'll find Gros Islet and Rodney Bay, two of St. Lucia's liveliest social hubs. Venture into town for a first-hand experience of island life, from laid-back beach bars to enjoying delicious street food at the side of the road. If you have to pick one day to venture out of the resort, make sure it's Friday as the streets of Gros Islet come alive every Friday for the weekly 'Jump Up', a huge street party that brings together residents from all walks of life to dance, sing and enjoy good company.
