Location & Local Information

Cap Maison enjoys a privileged position on a peaceful stretch of St Lucia's lush north coast, set on a secluded headland away from the bustle of the island's main tourist areas. The resort feels wonderfully private, surrounded by tropical greenery and spectacular views of the Caribbean Sea. While the journey from Hewanorra International Airport takes around two hours, the scenic drive through St Lucia's mountainous rainforest makes the trip part of the experience.

These villas are especially popular with guests seeking a relaxed and luxurious escape where sun, sea and tranquillity take centre stage. As you arrive at the Cap Maison estate, you will immediately notice the calm atmosphere of the area, with very few neighbouring residences and little development nearby. This peaceful setting allows guests to fully unwind while still enjoying the refined service and hospitality that Cap Maison is known for as a member of the prestigious Relais & Châteaux collection.

During your stay, the nearest beach is beautiful Smugglers Cove, a secluded sandy bay located just a short stroll or a few minutes' drive from the resort. This quiet cove is perfect for swimming, relaxing and enjoying the natural beauty of the Caribbean coastline. If you feel like exploring further, St Lucia is blessed with many wonderful beaches, all of which are open to the public.

For a livelier atmosphere, the vibrant area of Rodney Bay is just a ten minute drive away. Here you will find a wide selection of restaurants, lively bars, local street food and excellent shopping opportunities. Rodney Bay is also home to Reduit Beach, one of the island's most popular beaches, known for its long stretch of golden sand and clear waters.

The island's capital, Castries, can also be reached in around thirty minutes by car. This colourful port city offers an interesting glimpse into the island's culture and history, with bustling markets, historic landmarks and plenty of

local character. As a major cruise port, Castries can be busy when ships are in harbour, so it is worth planning your visit accordingly.

What we love

- Having a serviced villa was perfect for us as we were able to enjoy our own home-away-from-home but without any of the household chores
- The views of the Caribbean Sea from our garden were absolutely wonderful
- Our kids loved having their own private swimming pool as they could play and cool off whenever they wanted without the whole family having to shift gears

What you should know...

- Cap Maison is a relatively quiet resort, so it may not be suitable for guests looking for a lively villa break
- Cap Maison is located on the north side of the island and has a somewhat long transfer time (about two hours), so it may not be suitable for some guests
- Use of some facilities at Cap Maison, like the bars and restaurants, may incur additional charges during your stay
