Set on the prestigious Cap Maison estate and surrounded by lush tropical plants and trees and the Caribbean Sea, this three-bedroom villa is the perfect place to base yourselves for a luxurious escape in the sun.

At Cap Maison 3 Bed Oceanview with pool, the property immediately opens up as you enter with a full-sized kitchen and cosy dining nook making itself the beating heart of the home. Moving through the kitchen, your spacious and airy living room opens up onto large patio doors through which you can access a covered terrace complete with lounge furniture and a small dining table. Your living room is lovely and modern, sharing its space with a full-sized dining table for mealtimes, with bright white walls offset by rich wooden accents and pops of colour across its furnishings.

Three good-sized bedrooms are split across two wings of the villa, offering maximum comfort to its guests. In one wing, bedrooms one and two connect via a shared laundry room, making it ideal for families with small children. Both bedrooms offer a king-size bed and a private en-suite bathroom, though the larger of the two has a bath while the other has a shower.

The third bedroom is the largest room at the villa and located in the opposite wing of the residence with a king-size bed, seating area and a private en-suite bathroom. All bedrooms have a flat-screen TV, a security safe and access to a veranda or terrace.

In the garden of your Cap Maison 3 Bed Oceanview with pool, you'll find lush green plants that are lovingly tended to each day by a professional gardener. Then, at the heart

of the garden to the rear of the property and facing the beautiful Caribbean Sea is your own private swimming pool.

What we love

- Having a serviced villa was perfect for us as we were able to enjoy our own home-away-from-home but without any of the household chores.
- The views of the Caribbean Sea from our garden were absolutely wonderful.
- Our kids loved having their own private swimming pool as they could play and cool off whenever they wanted without the whole family having to shift gears.

What you should know...

- Cap Maison is a relatively quiet resort, so it may not be suitable for guests looking for a lively villa break.
- Cap Maison is located on the north side of the island and has a somewhat long transfer time (about two hours), so it may not be suitable for some guests.
- Use of some facilities at Cap Maison, like the bars and restaurants, may incur additional charges during your stay.
