Location & Local Information

Cap Maison Three Bedroom Oceanview Villa with pool and terrace enjoys one of the most desirable settings in St Lucia. Perched along the island's beautiful northern coastline, the Cap Maison resort offers sweeping sea views and a wonderfully peaceful atmosphere. Its slightly tucked away location means guests can enjoy a more relaxed and intimate experience, away from the busier tourist areas of the island.

Although the resort feels secluded, it remains easily accessible. From Hewanorra International Airport the journey takes around one hour and forty five minutes by car, while those arriving via Castries can reach the resort in approximately thirty minutes.

Cap Maison is also ideally positioned for exploring some of St Lucia's most vibrant areas. Rodney Bay and Gros Islet are both around fifteen minutes away and offer a lively mix of restaurants, bars, boutiques and marina views. Here you can experience local dining and enjoy the relaxed rhythm of everyday island life.

The capital of Castries is also within easy reach and offers a deeper glimpse into St Lucia's culture and heritage, with colourful markets, historic landmarks and a lively waterfront to explore.

What we love

- The rooftop location of the plunge pool and terrace offered plenty of privacy and seclusion without having to sacrifice sun coverage
- The views of the Caribbean Sea from the rooftop are absolutely breathtaking
- The restaurants at Cap Maison were some of the best we've ever dined in, and being able to invite the chefs to privately cook for us at the villa was just fantastic

What you should know...

- The rooftop pool is a plunge style pool rather than a swimming pool
- Use of additional facilities around Cap Maison, like the spa and dining facilities, may incur additional charges
- Cap Maison is located in a relatively quiet part of the island, so you'll need to head into larger towns like Rodney Bay or Gros Islet for nightlife and dining outside of the resort
