Location & Local Information

Villa Luella is in the rural hamlet Diminići on the Labinština peninsula in Istria, northern Croatia. Labin and Rbac are less than thirty minutes away by car, and both offer a good selection of shops and restaurants. Tunarica Bay is near the villa, a tranquil bay tucked into the coastline. Its pebbled shore meets the clear waters and is a peaceful paradise. Crna punta is a sea cave along the coast. It is a beautiful natural creation that you can reach via kayak. Surrounded by rocks with sunlight streaming in from above, you can stand on a rocky shore within the cave and admire its beauty.

Villa Luella is close to the city of Pula. With a long tradition of winemaking, fishing, and shipbuilding, Pula is filled with Roman architecture and surrounded by a beautiful natural landscape. The Roman architecture includes the temple of Augustus Cathedral, the Roman Forum, City Hall, and, impressively, an amphitheatre. The street beneath the terracotta rooftops is a maze of cafes, restaurants, and shops waiting for you to discover. Due to its conflicting past, there are many forts in and around Pula for you to explore.
