Overview

Chalet Chouettes offers a refined alpine escape in the exclusive Petit Alaska enclave of Val d'Isère, just moments from the slopes and a short walk from the resort's historic centre, boutiques, ski hire, and vibrant après-ski.

Spread across four floors, this elegant chalet effortlessly combines Savoyard charm with contemporary comfort. Inside, five beautifully styled bedrooms are paired with two additional sofa beds in the cosy TV lounge, offering flexibility for families and groups of up to twelve. Warm wood panelling, chic furnishings, and underfloor heating with individual thermostats create an inviting, serene ambiance throughout.

The main open-plan living space sits on the second floor, where floor-to-ceiling windows and glass doors flood the interior with natural light and open onto a scenic terrace. After a day on the mountain, guests can relax beside the striking stone fireplace on deep, comfortable sofas or gather in the stylish dining area. The adjacent kitchen is fully equipped with modern appliances, including a Nespresso machine and coffee percolator—ideal for relaxed self-catering or enjoying a seamless contactless catered experience.

The chalet's wellness area is located on the ground floor and includes a sauna, hot tub, shower, and WC, alongside a dedicated ski and boot room with heated boot warmers. There is parking for two vehicles, with one space in the garage and one on the drive.

Two en-suite bedrooms occupy the first floor—one with a bath, the other with a shower. The TV lounge also sits on this level, serving as a second living space or additional sleeping area. On the top floor, you'll find three further bedrooms: one with a balcony and access to a family bathroom, and two with private en-suites.
