Villa Zurich is only nine km heart of the famous Split, Croatia's second-largest city. With bricked architecture that dates back nearly two thousand years ago, you can immerse yourself in the rich history of this city. See how the people of Split have reclaimed a Roman Emperors' home when visiting Diocletian's Palace. Surrounded by high columns, detailed entrances and imposing arches you can immerse yourself in the past while exploring a host of shops, bars and cafes that now reside within its walls. It's not difficult to find either as its walls are integrated into the narrow streets of the old town, merging the palace into the rest of the city. The alleys create a maze into the past, with detailed bricked architecture withstanding all that has come after its erection, you can immerse yourself in the rich history of this city.

The Adriatic Sea is a cooling break from the Croatian sunshine. Dance and swim in the shallows of the cooling waters or enjoy the rays from the shore of several beaches along the coast. There are peddle boat rentals available if you wanted to take a spin on the waters, or delve deeper and bring snorkels to see the colours and home of the creatures who live below the surface. For the more adventurous ones, there are many water sports activities dotted along the coast including water skiing, parasailing, scuba diving and boat trips.

Island hopping is a great way to spend a day submersing yourself in the uniqueness of the Adriatic coast. Neighbouring islands of Brač, Vis and Korčula offer their heritage and way of life. Filled with hidden coves, white sandy beaches, fishing villages and ancient woodland, they are easily accessible for a day's adventure via ferry.
