What we love

- Razanji bay is renowned for its crystal clear water, thanks to its position and sea current. Clean, warm and welcoming, you can enjoy the multiple health benefits than the Adriatic has to offer.
- Surrounded by verdant green and the blissful blue sea, the views are truly spectacular and can't be beaten. For those who prefer to lounge inside, the windows allow maximum lighting which creates an elegant, airy and cool space.
- The set-up of this property is truly unique and makes it perfect for a big group of friends or a large family meet-up. We think of it as the perfect place for the Brady Bunch if they were going on a luxury vacation!

What you should know...

- The property is split across three floors and offers multiple living areas to suit many arrangements. By staying at the property, you will be the only party able to access all three levels – it's utterly your own.
- Please make sure you bring cash and a Croatian phrasebook. If exploring the small towns dotted around, not all locals may take card or be able to assist with directions or questions. A few key words of Croatian makes a difference.
- Swim shoes are recommended on the pebbled beaches for those who want a smoother saunter to the sea.
