Tucked away in the exclusive and eco-friendly Farska Bay, on the pristine southern coastline of the island of Brač, is the secluded Villa Vid. Farska Bay, a pebbled beach, is a hidden gem, shielded from the usual tourist crowds, offering an exclusive retreat for your family holiday. The bay is enveloped by vineyards, enhancing the serenity of the villa's setting, and you can even savor the local wine from the villa itself, a privilege reserved for our esteemed guests.

Along the coast, there are so many hidden coves and beaches. Farska Cove is nearby, bringing you even closer to the scents of the lush flora of the island of Brač. Brač is also home to one of the most spectacular beaches which is located just down the coast from the villa. Also known as the golden cape by many travel articles, Zlatni Rat beach is a natural beach with the clear water of the sea surrounding the white sands on both sides of the peninsula. The villa's local town, Bol, is only eight kilometres away, where you can access windsurfing facilities, boat excursions, and local restaurants and cafes.
