Villa Golden Hour

Region: Jamaica **Sleeps:** 14

Overview

It's no surprise that Villa Golden Hour has been labelled as one of the most glamorous villas in Jamaica. A deep red gate opens to a white stone path leading up to the home's entrance, which shares the site with an additional two-bedroom apartment. Stepping inside you will be in awe of the elegant and magnificent open plan design where you can view the ground floor from the first floor.

The home's exterior is decorated in white with delicate pink flowers and towering palm trees making for the surroundings. Villa Golden Hour is not short of tropical flair. Contemporary local artworks brighten up the villa's walls and the bedrooms have beautiful vibrant colour schemes and striking patterned bedding. The master bedroom will be a fine treat to whoever stays in it. The suite includes an en-suite bathroom. Here, you will be forgiven for indulging in a bathing experience where you forget all worries and time.

The villa's inside is the ultimate space to relax or unwind in. With a flat-screen television and tranquil lounging areas, it will be easy to enjoy a quiet evening in. You will immediately discover that the home was designed and built to an immense standard – it benefits from custom made Mediterranean-style floors and food served on fine Lenox china.

All of the bedrooms in the main villa provide access to the porch via an elegant wall of glass doors. From the porch, you can take in the dazzling view of the beach and horizon. Outside, you'll be able to keep occupied in the bubbling outdoor jacuzzi or sun soaking on one of the many bright turquoise sun loungers. If you want to throw a party, you'll have it covered as there are high-quality Bose speakers placed by the verandas, balconies and pool area, for a brilliant surround-sound.

Location & Local Information

Located on the luxury Half Moon resort, guests will enjoy an excellent private beach, tennis courts, a fitness centre and access to water sports. The resort sits among 400 acres of beautiful land and two miles of beachfront. The garden is flourishing with bougainvillaea, oleander, Poinciana, lemongrass, basil and more, and is the home to many turtles who return yearly to lay their eggs.

Greenwood Great House is just a 20-minute drive away from Villa Golden Hour and boasts spectacular views as it sits on top of a mountain. It is a museum that has been operated by couple Bob and Ann Betton ever since it first opened in 1976. Considered a national monument, the house has received the Musgrave medal for excellence in heritage preservation and the Berger Paints Heritage in Architecture award, among others.

Most plantation houses faced ruin during the Christmas slave rebellion in 1831, but Greenwood managed to remain in its same impeccable state. The 45-minute tours will allow you to dive into 19th century Jamaica, in all of its splendour and hardship. You will be taken from room to room by tour guides where you will discover that the house still holds many of its original furniture. It is also known for housing the largest collections of musical instruments and books in Jamaica.

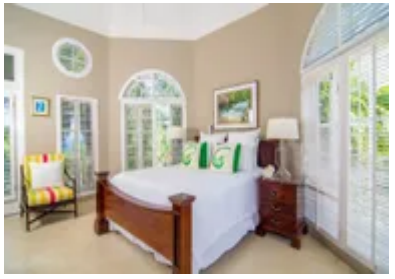

Whitter Village Shopping Mall is only a 10-minute drive away and is great for buying essentials such as swimsuits, alcohol and gifts. There is a plethora of tourist shops as well as cafes and a food courtyard for a bite to eat after some shopping.
