Overview

Croatia is a famous tourist destination for travellers from all over the world thanks to its breath-taking natural beauty, beguiling architecture, hospitality, and warmth. Are you looking for the perfect holiday home to house you and your loved ones as you explore this stunning country? Let Villa Nyura be your haven.

Ideal for between six-eight guests, this elegant and glamorous villa possesses three bedrooms, three bathrooms, a jacuzzi and a sauna, as well as a heated pool with massage, whirlpool and an infrared sauna, hot-tub, and playground. The playground is complete with a slide, swing and many toys and your little ones will soon make it their own. The sundeck area is flanked with eight deck chairs so that you can gather as a group, and you can make use of the outdoor shower to cool off in between dips in the pool and trips to the beach.

We know that a blend of cosy comfort and magnificent modernity strikes the right balance, and with views of Cetina and the surrounding beauty of the Omis hinterland, you'll feel properly catered to in paradise.

A beautiful new build, you'll also be able to enjoy al fresco dinners in the outdoor dining area complete with gas barbeque. Whether your family prefers indoor or outdoor living, Wi-Fi and a playground are provided so you can enjoy spending quality time making memories with little ones. It's secure and safe, being a fenced in property, giving you the privacy you desire. Croatia is best explored by car – there's simply so much to see – and you're provided with a parking lot for two vehicles so you can do just that.

Your dining room contains a traditional barbeque, fridge for storage, television, and other forms of entertainment,

including a dart board, mini soccer, mini billiard, and mini table tennis, always a firm favourite with families, especially after dinner!

On the ground floor, you can enjoy the kitchen, the area of a home that typically draws the most traffic, almost always the heart of any home. Fully air-conditioned and with a stocked kitchen, you can prepare meals here and enjoy dining as a family. There's also a living room complete with sofa, which can also be opened up into a comfortable sofa bed, a flat-screen television and a direct approach to the pool and surrounding areas. There's also a separate toilet and a washing machine so you can get everyone's swimming gear cleaned and prepped for the following day of frolics.

To access the first floor, you can take the indoor staircase – here you'll find two large bedrooms each complete with queen bed, an en-suite bathroom, and a shared (for your party) balcony. You can also make use of the family bathroom.

By following the indoor staircase, a level higher, you'll find yourself on the second floor – this is where much of the magic happens. You can enjoy the infrared sauna, decked out with shower and chair, make use of the kitchenette with striking views of the Cetina River, and simply sit and soak up the sun's rays and indulge in the tranquillity with a glass of wine.

For true calm, there are lots of extra services you can add on, including grocery delivery, an in villa-chef who will prepare the meal of your dreams, an on-sight massage and sailing experience with your own skipper.

The achingly gorgeous natural beauty surrounding the property creates an oasis, whilst the villa itself is imbued with a quiet glamour. Enjoy the inviting, minimalist décor, space, and natural light in your blissful villa.

- Not many villas boast their own children's playground – we think that's pretty special.
- The rolling green scenery makes this the perfect place to unwind.
- We love the family feel of this property, with its intimate kitchen fire, fabulous facilities, and cosy beds.
