Overview

Villa Annika II is the getaway you and your loved ones deserve. Sleeping eight guests across two floors, you have everything you need. Walking into the villa, you are guided to the main communal space for you and your family to enjoy. A textured feature wall is on the right, while large old-fashioned light bulbs hang from the ceiling.

Immediately you look out over the pool, patio and private garden from the glass windows and doors. In the centre of the room, you are greeted by a grey corner sofa large enough to sit the whole family. A large wooden dining table with eight chairs is behind the sofa, with the kitchen at the back of the room. The kitchen has all the appliances you need to enjoy your stay, including a fridge, freezer, kettle, microwave, filter coffee machine, Nespresso machine, dishwasher and toaster.

Outside, a private garden runs around the villa with a heated swimming pool directly outside the villa, with shallow steps leading into the pool. Cushioned sun loungers surround the pool. The first floor overhangs half the swimming pool, providing shade on half the pool and the surrounding patio. Against the rustic brick wall is an outdoor kitchen with a sink and open fireplace, ideal for evenings alfresco dining on the outdoor dining table seating eight.

Inside the villa, one en-suite bedroom is on the ground floor, off the main family area. With floor-to-ceiling windows letting in plenty of light, you can access the patio with your table and chairs outside. Stairs lead up to a balcony overlooking the lounge and the remaining three bedrooms and a balcony. All bedrooms are spacious, with double beds and ensuite bathrooms within the room.
