Overview

Villa Ezel is a beautiful villa just made for two. This stunning two-storey property hidden in the hills of Hisaronu, Turkey, has one bedroom with an ensuite bathroom, and is ideal for an escape from it all honeymoon or an intimate couples' getaway. Set in its own private mature gardens, the villa boasts two substantial swimming pools, one outdoors and one inside. Off road parking is available outside the villa, complimentary air conditioning is included throughout, and there is an alarm and security system for your safety and security. This all white constructed property will simply take your breath away, and has been designed with meticulous attention to detail inside and out. The interiors are luxuriously calming, fitted out with hand crafted natural wood furniture, decorated with a neutral crisp clean white and soft beige palette, and scattered with unusual and interesting artefacts and clever lighting.

Enter the villa at ground floor level, where there is a light and airy open plan living space, with floor to ceiling glass windows that lead onto the pool terrace and garden. The seating area has a three seater comfortable beige sofa and highlight cushions, and a round wooden coffee table, facing a flat screen television. The adjacent fully equipped wood and white kitchen is super stylish, with an American style fridge freezer, a built in oven, a hob with extractor fan, a microwave and dishwasher, plus all the essentials you will need to cater for your holiday. There is a preparation island, with a breakfast bar attached, and two seriously funky white chairs in which to sit and enjoy dining indoors. Leading from the seating area is a curved wooden staircase, which will take you to the first floor where you will find the master bedroom. The bedroom is decorated in light wood and dressed in soft white linens, with a double bed, bedside tables, a chest of drawers, a fitted louvre doors wardrobe, and a rather impressive free-standing

white oval bath with views over the gardens. The ensuite bathroom is elegantly fitted out with a separate glass fronted walk-in shower, two modern hand basins, and a WC.

Access the charming gardens and pool terrace through the sliding floor to ceiling glass doors of the living space. The outdoor ladder entry swimming pool, which can be heated in the winter months, is a substantial seven metres by three and a half metres, perfect for a few lengths before breakfast. There are two wooden sunbeds with beige cushions, and a matching macrame parasol to keep you cool in the shade. A white domed pergola is home to a shaded ottoman seating area, ideal for taking a snooze or relaxing with this year's best seller. A wooden table for two with matching chairs is just right for a romantic meal under the stars. The gardens are well tended with mature trees and shrubs, and lots of traditional Turkish pots and woven baskets are displayed throughout. When the weather gets cooler take the plunge in the very inviting covered indoor pool, measuring five metres by three metres, then simply lay back on the luxurious white curved sun loungers and let your worries float away.
