This park was formed after a series of immense volcanic eruptions that occurred between 1730 and 1736, exemplifying its rich and historical legacy. In turn, guests can marvel at a range of volcanoes and learn more about the initial foundations of this diverse area. Moreover, guests can also visit the truly unconventional on-site restaurant. Submarine Safari is a prized establishment that is well known for offering a collection of immersive submarine tours. Each submarine is decorated in a bright yellow colour, making it an iconic landmark that can be seen for miles. During their excursions, guests will travel to a maximum depth of 30 metres and observe an assortment of beautiful marine wildlife.
