What we love

- Villa Bibo's single-storey layout makes it a great accommodation choice for those who have young children, older guests, and those with limited mobility
- The villa features some beautiful mountain views as well as a table tennis table, football pitch and private swimming pool!
- All of the bedrooms as Villa Bibo have en-suite facilities, ideal for those looking for a little more privacy

What you should know...

- Villa Bibo is gated and private, but there are other properties relatively close by, so perhaps not ideal for those searching for somewhere more remote
- The private pool is at ground level and unfenced, and although there is plenty of space around the pool to walk safely, it's advised that younger children are well supervised when playing in the area
- A hire car is recommended for those staying at Villa Bibo so guests can make the most of all the island has to offer
