

Villa Deneuve

Region: French Riviera (Cote D'Azur) **Sleeps:** 12

Overview

Villa Deneuve overlooks the dazzling sea just 4.5km from Saint-Tropez town centre. This stunning home offers guests the privacy and space that comes with booking a villa, but guests also have the opportunity to use the fantastic facilities at the nearby 5* hotel, which is managed by the same owners.

This villa is a vast, elegant dwelling with plenty of space for 12 guests (8 adults and 4 children). The living space here is ideal for when you all wish to gather together for dinner or drinks in the evening; there is a huge L-shaped sofa that looks out onto the garden and terrace. The modern, fitted kitchen has all the appliances you need for preparing a delicious meal or for hiring a chef to do so for a special occasion.

There are five well-appointed bedrooms, some of which are on the ground floor with direct access to the garden, while the others lead out onto terraces, meaning you can sip your morning coffee al-fresco. The rooms are all neutrally decorated with pops of colour in the soft furnishings and artwork and offer chic en-suite bathrooms. One of the bedrooms is designed with families in mind; it is dormitory in style, with two double beds - perfect to accommodate up to four children.

Villa Deneuve is a great place to stay for those wishing for a relaxing trip to the South of France, as you will have everything you need to hand. Outdoors, the home's grounds are a pleasant retreat outside the bustling town centre. You can enjoy staggering sea views from several spots in the garden, such as the large terrace, which boasts a dining space and comfy outdoor sofas. The garden, which is filled with lush native planting and tall trees, also has a private swimming pool and lots of sun loungers and a day bed for unwinding.

When you wish to dine out in the evening, you can visit Saint-Tropez town, where you can find everything from cafés to fine-dining restaurants on the seafront. Aside from its sumptuous cuisine, Saint-Tropez is known for its boutique shopping and luxury cocktail bars. This part of the French Riviera also has many incredible beaches, so many that you could visit a new one each day of your holiday.

Location & Local Information

Saint-Tropez is a wonderful location for a holiday on the French Riviera. Guests staying at Villa Deneuve are able to use the amazing facilities and dine at the gourmet restaurant of the nearby 5* hotel, 1km away. If you would rather visit earlier in the day, then you could tuck into the tasty buffet breakfast instead before heading to the Niance spa for a massage and a few lengths of the pool.

When looking for a wider range of restaurants, make your way down to Saint-Tropez town, just 4km away. Whether you are looking for a gourmet restaurant with seasonal tasting menus or a simple seafood dinner, you will find something delicious in town. As well as great restaurants, Saint-Tropez offers fantastic shopping opportunities; you could spend the whole day perusing designer boutiques, buying gifts in artisan shops and bartering at the markets held all over town. The old town is a splendid place to explore for shopping or a lazy lunch in a street-side café. The old town is dotted with medieval churches, a wide range of museums and galleries and is topped with an imposing citadel which once defended the region from attack.

The pristine bays of Saint-Tropez here are unrivalled, whether you would like to visit Plage de la Moutte to try out some water sports or sip cocktails at a chic beach club on Plage de Pampelonne, one of the finest beaches in the area. Alternatively, to see some truly unspoilt beaches and swimming coves, you should take a boat trip from Saint-Tropez to the Golden Islands, a collection of three picturesque islands lined with beaches, walking trails and quaint eateries.

Gassin, a little village enveloped by rolling hills and vineyards, is off the beaten track and one place you could visit. Noted as one of France's most beautiful villages, Gassin should definitely make your itinerary where you can spend the day wandering around the historic centre.

If you would like to go on a walk to take in the scenery, then follow the walking routes which lead out of the village onto picturesque walking trails. If you enjoy walking and hiking, then close to the villa, you can traverse a wealth of walking routes. Further inland, you could also try golf, polo or horse riding, all available close to the house in the rolling hills.

The nearby hills and farmland are also home to a number of vineyards open to visitors and make for a fascinating day out.
