Location & Local Information

Villa Cole is situated on the southwest coast of Mykonos, within the Cyclades islands in the Aegean Sea. Mykonos, known for its exclusivity, spans just ten by fifteen kilometres, ensuring that all destinations are easily accessible by a short drive. The villa is conveniently located four kilometres from Mykonos airport, accommodating both local and international flights, with nearby airports in Naxos and Syros for island hopping.

Perched on a rocky promontory in Agios Lazaros, Villa Cole overlooks the Gulf of Ornos, Delos, and Renia islands. Nearby, the village of Ornos features traditional tavernas, a harbour facilitating boat trips to local beaches and Delos, and two beaches. The villa is also close to Psarou village, offering a sandy beach and local shops, as well as Korfos for kitesurfing and the lively Buddha Beach Bar.

Southward lies Elia and Agrari beaches, known for water sports, children's activities, and serene waters compared to northern beaches. Mykonos boasts numerous sandy beaches, catering to various preferences, from Elia's nudist-friendly shore to family-oriented Psarou Beach and the vibrant Paradise Beach renowned for its clubs and DJ scene.

Exploring the island reveals Mykonos Town (Chora), a short four-kilometre drive from Villa Cole, where visitors can explore Cycladic architecture, luxury boutiques, and waterfront dining. Historical and cultural insights await at the Archaeological Museum, Folk Museum, Maritime Museum, and Lena's House. Landmarks like the windmills at Kato Mili and the waterfront district of Little Venice offer picturesque settings for enjoying local cuisine and sunset views.

What we love

- Villa Cole is beautifully positioned on the hillside of Agios Lazaros, above a pebbly beach, and with panoramic sea views from every aspect, whether you are having a swim, sipping cocktails on the terrace, or watching the sunrise from your bedroom, the angle of the views is perfection
- We love that the six bedrooms are very egalitarian, so there's no arguing who gets which room, they all have a large double bed, en suite bathrooms, televisions, safes, air conditioning and Wi-Fi, private balconies, and best of all they all have a sea view
- The teak decked pool terrace is a bit of master planning, enter the pool on one side and have a swim, get out the other side and have a sunbathe on the floating sea view platform, then take the plunge into the Jacuzzi on the other side, such a hard day's work

What you should know...

- All of the beds in the six bedrooms are all Queen or King size, there are no twin rooms, great for six couples or a group of friends sharing.
- The villa has sea views, and is within the immediate vicinity of the seafront, but the nearest organised sandy beach with sun loungers and shady parasols is a couple of kilometres drive
- We recommend car hire to make the most of your holiday and see all the sights you wish to see, although by no means essential as there is a very reliable local taxi and public transport system
