Overview

Villa Quema is a perfect spot for a peaceful and relaxing holiday, situated in the exclusive Los Mojones area of Puerto del Carmen. Positioned at the end of a quiet cul-de-sac, this property offers privacy and is a great place to unwind away from the crowds but still close enough to enjoy the local resort facilities.

Inside, Villa Quema features a spacious open-plan design. Each of the four bedrooms comes with ample wardrobe space, air conditioning, and direct access to private terraces, whilst the kitchen is fully equipped with essential appliances and has a center island that doubles as a breakfast bar. The dining area and living room, with comfortable leather sofas and a flat-screen TV, provide a cosy space to relax. A spiral staircase in the living room leads to a roof terrace with spectacular views, although it's something to be cautious about if you have small children.

Outside, the villa offers plenty of space with a large terrace accessible from all rooms. The elevated covered area is perfect for outdoor dining and relaxing with a coffee. When you're ready to take a dip in the pool, steps lead down to the pool terrace, which is furnished with sun loungers and bordered by a small garden. The rectangular pool is heated from November to April (see Ts&Cs) and has easy access via Roman steps. There's also a ramp for those with reduced mobility.

Villa Quema's location provides a peaceful retreat while keeping the vibrant resort activities within easy reach. Whether you're lounging by the pool, enjoying the views, or exploring nearby, this villa is a great choice for a relaxing and comfortable holiday.
