With a sleek kitchen and bar area also on the rooftop, this is the ideal spot for entertaining or simply soaking in the beauty of Marbella from a whole new perspective.

Of course, the rest of the villa is equally impressive. The infinity pool on the ground level is another luxurious touch, framed by lush greenery that provides a sense of privacy and tranquility. The floor-to-ceiling glass doors bring the outdoors in, offering direct access to the pool and garden. The dining area is elegant and inviting, and the modern kitchen—with its sleek marble countertops and top-of-the-line appliances—makes dining in a treat.

On the first floor, you will find two sumptuous bedrooms, each with private terraces and luxurious en-suite bathrooms. One has a queen-sized bed, the other a king, ensuring every guest enjoys restful sleep in comfort and style.

The lower level houses two additional queen-sized bedrooms with en-suite showers, plus a fabulous lounge area complete with a gym, TV, and an incredible aquarium window looking into the infinity pool above. It's an extra touch that truly sets this property apart.

Location & Local Information

Villa Los Elementos is just a thirty-minute walk away from the centre of Marbella, allowing guests to experience every aspect of this riveting region with ease. Marbella is a glamorous resort town on Spain's Costa del Sol, known for its golden beaches, upscale boutiques, and vibrant nightlife. Nestled between the Mediterranean Sea and the Sierra Blanca mountains, it offers a perfect mix of natural beauty and luxury. Visitors can explore the charming Old Town, with its narrow streets and historic architecture, or indulge in the lively marina at Puerto Banús, famous for luxury yachts, designer shopping, and trendy restaurants. With a warm climate year-round, Marbella is a top destination for sun-seekers, golf enthusiasts, and those looking to experience the best of Mediterranean living.

Golf lovers are in luck as this region is often commended for its impeccable assortment of golf courses, such as Los Naranjos Golf, which is based just fifteen-minutes away from the villa. This course was first crafted by acclaimed architect Robert Trent Sr. in 1997, who aimed to build a course that would challenge players of any experience level. This establishment has also hosted a wealth of prestigious events, such as the Spanish Open. Throughout your time on this vast eighteen-hole course, guests take the time to also appreciate their glorious surroundings as they engage in a vivacious game of golf. There is also an intuitive buggy network on-site, allowing guests to explore every aspect of this course at speed.

For those interested in the local history and culture, one of the most significant landmarks within this region is Iglesia de Nuestra Señora de la Encarnación, also referred to as the Church of Our Lady of Incarnation. This monument originally started its life as a Mosque but was transformed into a church during the harrowing events of the Christian Reconquest. Thus, this attraction offers guests a deeper look into the lives of both the Moorish and Christian communities that used to reside in this area. Guests are also encouraged to travel inside the monument and observe the wide variety of artefacts and fixtures on show. The church is situated around 10 minutes away from Villa Los Elementos.
