The living room exudes warmth and tranquillity, with clean modern lines, comfy couches and graceful furnishing. Settle around the central fireplace and regale each other with stories from the day. The adjacent dining table is perfect for meals with family and friends. If you're staying with toddlers, you can request the staff for high chairs. The kitchen is open-plan and fully-furnished, with glossy countertops and modern cabinetry.

The chalet is kitted with a large garage, boots warmer, outdoor furniture and ample parking space.

The first bedroom is located on the ground floor and features a double bed which can be separated into twin beds as well as its ensuite bathroom. The remaining four bedrooms are on the first floor. The second bedroom has two double beds, while the third has one double bed. Bedroom five comes with a double bed, which is separable. Bedroom six features two single beds.
