Overview

Chalet Doron is a luxurious winter chalet with five bedrooms for eight adults and two children. It's located 100 meters from the centre of Méribel Village, in the valley of Les Allues — one of the largest and hugely sought-after ski destinations in the world.

The chalet blends Alpine cottage with the luxuries of modern travel. Its soft wooden architecture matches perfectly with the surroundings, making you feel like a part of nature. Savour breathtaking mountain vistas from the spacious balcony. After a long day on the slopes, pamper yourself in the exclusive sauna and hammam.

The living room is warm and elegant, with glossy wooden furniture and a central stone fireplace. You're never short on entertainment options, thanks to the TV and DVD/ Blu-ray player. Little guests can spend hours playing board games before bedtime. If you're working remotely, you can use the chalet's office area and speedy Wi-Fi.

The adjoining dining table is perfect for family dinners. The adjacent kitchen is airy and fully-furnished.

While three bedrooms have two single beds, two of them are en-suite. The kids' room is kitted with a bunk bed. The top most floor of the chalet features the master room, with two large double beds and en-suite bathroom.
