

Chalet Face

Region: 3 Valleys **Sleeps:** 12

Overview

Nestled in tranquil Méribel Village, this luxurious 6-bedroom family chalet accommodates 12 guests. It's part of the Les Allues valley, one of the largest and most sought-after ski areas in the world.

The chalet is a stylistic brainchild of its English owners and famed architect, Rémi Giffon. Composed of locally sourced wood, stone and wool, it combines the charm of the Alps with the luxuries of modern living.

After a long day on the slopes, in the leisure area including the outdoor jacuzzi and detox your exhausted body in the sauna. There is also a whirlpool bathtub and Italian-style shower.

The living room comprises two sections. One is the TV corner with a Sky TV and Blu-ray player. The other section is furnished with lounging sofas around a central fireplace.

Adjacent to the living room is the dining table. If you're visiting with toddlers, you can request highchairs from the staff. The kitchen is spacious and fully furnished, with glossy countertops and wooden cabinetry.

The chalet is equipped with a ski locker, boots heater, laundry room and ample parking space. Make use of the iron and ironing board to look your best at all times.

The children's bedroom on the ground floor features a bunk bed and two single beds. It's connected to a colourful TV den, with a backlit photograph of neighbouring forests which adds to the cosiness of the room. Also on the ground floor, a twin bedroom with two single beds, a wardrobe and en-suite bathroom.

The master bedroom is on the first floor, with a double

bed, a private balcony and en-suite bathroom. The remaining two bedrooms are on the same floor. One features a double bed, while the other has two single beds—which can be turned into a double bed. Both bedrooms have a private balcony, wardrobe and en-suite bathroom.

If you're visiting during the winter season, you're greeted with champagne and a welcome basket. A friendly housekeeper is available for daily room maintenance.
