This sleek well-designed space boasts wall-to-wall glass windows and sliding doors allowing you to take your evening meal from the ten-seater dining table to the outdoor decking, the perfect spot for large groups to socialise in style. Rest, revive and recharge at the Hurricane Spa by reclining in the heated infinity pool after enjoying a massage or facial in one of the treatment rooms. Take in the surrounding beauty of the idyllic lakeside views from the spa's own private beach or blow off steam in state-of the art gym.

The house's proximity to the neighbouring lakes means it will be hard to entice yourself away from the water, with kayaks, paddleboards and fishing aplenty. For those who prefer to stay on dry land why not zip wire over the water instead? Or grab a bike and take the family off for beautiful bike ride on the wider estate stopping off for a picnic in a tranquil spot whilst nature spotting the local birds and wildlife.

The beautiful county of Dorset is a popular tourist spot, an area known for its rolling dales, protected heathlands and breath-taking UNESCO-heritage Jurassic coastline. The house is within reaching distance of fabulous beaches, including the beautiful shingle Ringsted Bay, which at low tide reveals a wide expanse of sand. It is the perfect beach for quiet and calm surrounded by neighbouring farmlands. For those who like to get out and explore the stunning countryside, we recommend a visit to Moreton Forest with a range of tree-filled walks amongst the towering conifers.

A trip to the Smuggler's Inn, a historic 13th Century pub with unbeatable sea views of the Isle of Portland is an absolute must with an excellent selection of ales to sample and delicious food, the perfect spot for a pitstop after a lovely scenic stroll.

If you're looking to take in the area's fascinating history then you won't be disappointed with the thousand-year-old Corfe Castle, a majestic ruin established by William the Conqueror, just a short drive away. Fans of Thomas Hardy can visit Dorchester's Dorset Museum which houses the largest Hardy Collection in the world, bequeathed by his wife Florence. Just thirty minutes away, is the picturesque town of Poole, here you can hop on a ferry and visit neighbouring islands or soak up the sunrays on the near-by golden beaches at Sandbanks and Bournemouth. A visit to the colourful Lighthouse Arts Centre offers art exhibitions, theatre and film then why not finish off the day with some locally caught fish and chips on the beach.

Other close-by towns which are well worth a visit include the charming county town of Weymouth with its recognisable Georgian seafront and the lively market towns of Bridport and Lyme Regis. The famous Durdle Door, a natural limestone arch, is just a twenty-minute car journey away and is a must-visit while in the area.
