Overview

Wakeling Island is a striking wood cladded waterfront property within the picturesque Silverlake Resort (<https://www.oliverstravels.com/silverlake-resort-dorset/>) in Dorset. With floor to ceiling windows that create a light and airy living space and offer fantastic lake views, the cottage can accommodate up to 10 guests in 5 bedrooms. With a private jetty leading into the water, you can hop on and off your paddle boards whilst lunch sizzles on the BBQ, or picnic on the lawn whilst spotting the local wildlife on the water.

Inside, a convenient boot and utility room welcomes you as you step into the ground floor, a perfect spot to shed wet clothing and muddy shoes. A master bedroom with en-suite wet room benefits from fantastic sliding doors that lead straight onto the rear decking, a fabulous place to sip your morning coffee as the morning sun shines on the water. A further bunk room, ideal for kids and a double room share a shower room completing the ground floor.

On the first floor you will be greeted by a spacious open plan living, dining area with property width long floor to ceiling windows that open up to a balcony area. With its ten-seater dining table, balcony seating and sumptuous sofas this is a great place for socialising, catching up and enjoying a well-deserved glass of wine after a day on the water. Here you will also find a fantastic games room nook, ideal for older children to relax away from the grown-ups or for enjoying family movie nights on rainier days.

The top floor is another space to take in the view with a large mezzanine snug with comfy seating and wall of windows that overlook the tranquil lake views. A further double bedroom and twin room share a modern shower room.

There is something for everyone at the Silverlake Resort activity hub from tennis courts to paddle boarding, whilst those looking to relax and unwind can head for a restorative swim and sauna at the shared pool and spa.
