In the bedrooms you will also find simple, comfortable sofas where you can take a quick break from the heat of the sun, as well as convenient writing desks.

There is a modern en-suite bathroom with each bedroom,

featuring two wash basins and a walk-in rain shower. One bathroom also includes a sauna feature, ideal for a little moment of luxury after a day spent exploring the wonders of Antigua. Location & Local Information

Nestled on a lush green headland between two enchanting beaches, with views of the sparkling turquoise sea below, the location of Tamarind Hills perfectly encapsulates all the stunning natural beauty that Antigua has to offer. With a coastline encompassing peaceful bays, coral reefs and magical blue lagoons, the island gives families and couples alike the chance to explore the wonders of the ocean whilst soaking up the Caribbean sunshine!

The nation of Antigua and Barbuda is made up of its two namesake sister islands, as well as several smaller islets. Antigua is the nation's largest island at just 281 km². The fact that you can easily travel across the island by car makes it the perfect place for a relaxed Caribbean getaway. With 365 beaches, one for every day of the year, you will always be spoiled for choice when it comes to your next dip in the ocean!

Each day you will be tempted to stay close to home, on the silky white sands of Ffryes Beach and Darkwood Beach. Secluded by green hilltops and popular with tourists and locals alike, both beaches are well-known beauty spots. Swim and snorkel in the crystalline waters here, before stopping for lunch at a local restaurant.

Slightly further afield, Nelson's Dockyard National Park is one of five national parks in Antigua. Listed as a UNESCO World Heritage site, this eighteenth-century British naval dockyard is an area of great historical significance on the island, as well as a popular venue for maritime events and activities. Nelson's Dockyard offers visitors plenty of fantastic trekking trails, with breathtaking sights along the way.

Consider visiting Shirley Heights, a restored military lookout with panoramic views and the home of a famous Sunday evening party, where visitors are invited to come and take part in the festivities. Listen to live Caribbean steel drum bands, try some of the local food and rum punch and discover amazing sunset views of the island.

Devil's Bridge is another national park that is well worth a visit. The bridge itself is a natural arch composed of limestone rock, formed over the course of many thousands of years. With geysers and blowholes surrounding the bridge as the waves of the Atlantic crash against the rocks, this is a bracing adventure that will leave you in awe of the serene beaches you have just left behind.
