Location & Local Information

Ocean Blue's dreamlike vistas stretch from the fine white sands of Darkwood Beach across the turquoise ocean to Montserrat in the distance. Antigua is a small Caribbean Island, famous for its serene bays, lush green headlands, coral reefs and blue lagoons - not to mention the fact that it boasts 365 beaches, one for every day of the year! Here, families and couples alike will have endless opportunities to explore the wonders of the sea whilst soaking up the sunshine.

Slightly further afield, Nelson's Dockyard National Park is one of five national parks in Antigua. Listed as a UNESCO World Heritage site, this eighteenth-century British naval dockyard is an area of great historical significance on the island, as well as a popular venue for maritime events and activities. For those who wish to experience the magic for themselves, there are plenty of sailing excursions and water-based activities available.

There are plenty of fantastic trekking trails around the island, taking in sandy beaches, rainforests and dreamlike coastal views. For a challenging hike, put on your hiking shoes and visit Mount Obama, the highest peak in Antigua. From the summit, enjoy the panoramic views, before descending to Cades Bay for a delightfully refreshing dip in the ocean.

Shirley Heights is another popular destination. A restored military lookout, this is a spot known for its bewitching views and community feel. With a popular street party happening every Sunday afternoon, visitors are welcome to enjoy the music of live Caribbean steel drum bands, taste some of the local food and rum punch and take in the breathtaking sights as the sun begins to go down on the beautiful island of Antigua.
