Location & Local Information

Villa Serenidad is located in Cascada de Camojan in the foothills of Marbella's iconic La Concha mountain. One of the most exclusive and affluent areas on the Costa del Sol, the area offers incredible sea views towards the African coast and is loved for its beauty and seclusion by residents and visitors alike.

The villa is within close distance from the infamous 'Golden Mile', where you'll find stunning beaches, tropical gardens, exclusive restaurants and shops, and the most spectacular seafront promenade in the region. Renowned for attracting the rich and famous - including royalty - the Golden Mile features mostly sandy beaches, which, even during high season, remain surprisingly quiet, and there are great amenities such as watchtowers and lifeguards, showers, sunbeds, and children's play areas. There's no end of exclusive beach bars here and a number of high-end, Michelin-starred restaurants to enjoy, and for those who enjoy watersports, the possibilities are endless, with options including windsurfing, waterskiing, and even pedalo hire.

The Golden Mile is just ten minutes from the city of Marbella, a luxurious area that is steeped in history and tradition while serving up a modern, cosmopolitan flavour. You won't be short of things to see and do here, with over twenty-four beaches in the area, including the incredibly family-friendly Bono Beach, Playa del Cristo, and Estrella del Mar, all of which feature calm and shallow waters, soft sands and restaurants offering great kids' menus. If it's a party atmosphere you're after, Marbella Beach Club, Nikki Beach and Ocean Club offer plenty of the glitz and glamour that the area is famous for.

Golf lovers will know that Marbella is synonymous with the sport, and if you're an enthusiast, you'll find over 50 courses to enjoy, with something to suit all abilities. Some of the most top-rated courses in the region can be found here, including Los Naranjos, a championship-quality course famous for its beautiful views of the La Concha Mountain, and La Quinta, which receives rave reviews from

members and guests alike.

If you're after a day of rest and relaxation in the sun, we recommend heading to Plaza de Los Naranjos, one of Marbella's most beautiful town squares. Surrounded by historic buildings and traditional white Andalusian houses, this delightful spot is the hub of Marbella Old Town. Orange trees surround the Renaissance fountain that takes pride of place in its centre, and here you'll find plenty of places to sit and watch the world go by in the shade of colourful umbrellas outside the street cafes and restaurants.
