Location & Local Information

Joya de Marbella is located in Cascada de Camojas, one of Costa del Sol's most prestigious neighbourhoods. Located north of Marbella's Golden Mile and nestled in the foothills of La Concha Mountain, it's an idyllic place to live. With hiking trails right from the door, you can enjoy peaceful walks through forested areas complete with beautiful waterfalls and far-reaching views of the Mediterranean Sea.

Golf enthusiasts can also enjoy access to some of the finest courses in the Costa del Sol, but closest to the property is Monte Paraíso Golf. Less than a 5-minute drive away, lovers of the game can enjoy practising their handicap on this short but challenging 9-hole course that meanders through mountains and lakes. Nearby you'll also find tennis and paddle clubs and, of course, the beautiful beaches of Marbella.

Playa de la Fontanilla and Playa de Venus are both centrally located and are a 10-minute drive from the villa. They are good spots for swimming and sunbathing, while the more energetic can hire a jet ski or paddleboard and spend the afternoon out on the water. After a day on the beach, step onto the glamorous promenade and enjoy a bite to eat at one of the many gourmet restaurants. Away from the shoreline, Marbella's old town is a pretty place to while away a few hours. Stroll through the narrow streets with its flower-filled window boxes and stop for a coffee in the Plaza de Los Naranjos. Here you can admire the Moorish and baroque architecture, then visit the Museum for Contemporary Spanish Engravings and discover the works of Miro, Dali and Picasso.

While Marbella offers plenty to do and see, the bustling area of Puerto Banus is also a popular spot and less than 15 minutes by car from the villa. Spend the afternoon browsing the designer stores, then head to the glittering harbour for a meal at one of the Michelin-starred restaurants. Alternatively, simply sit back with a drink and spot the rich and famous who frequent the area. Away from the harbour, further entertainment includes an

aquarium, multi-screen cinema and a five-floor Spanish department store, while in the heart of Puerto Banus, history lovers can explore the ruins of a Roman villa dating back to the late first or early second century.
