Location & Local Information

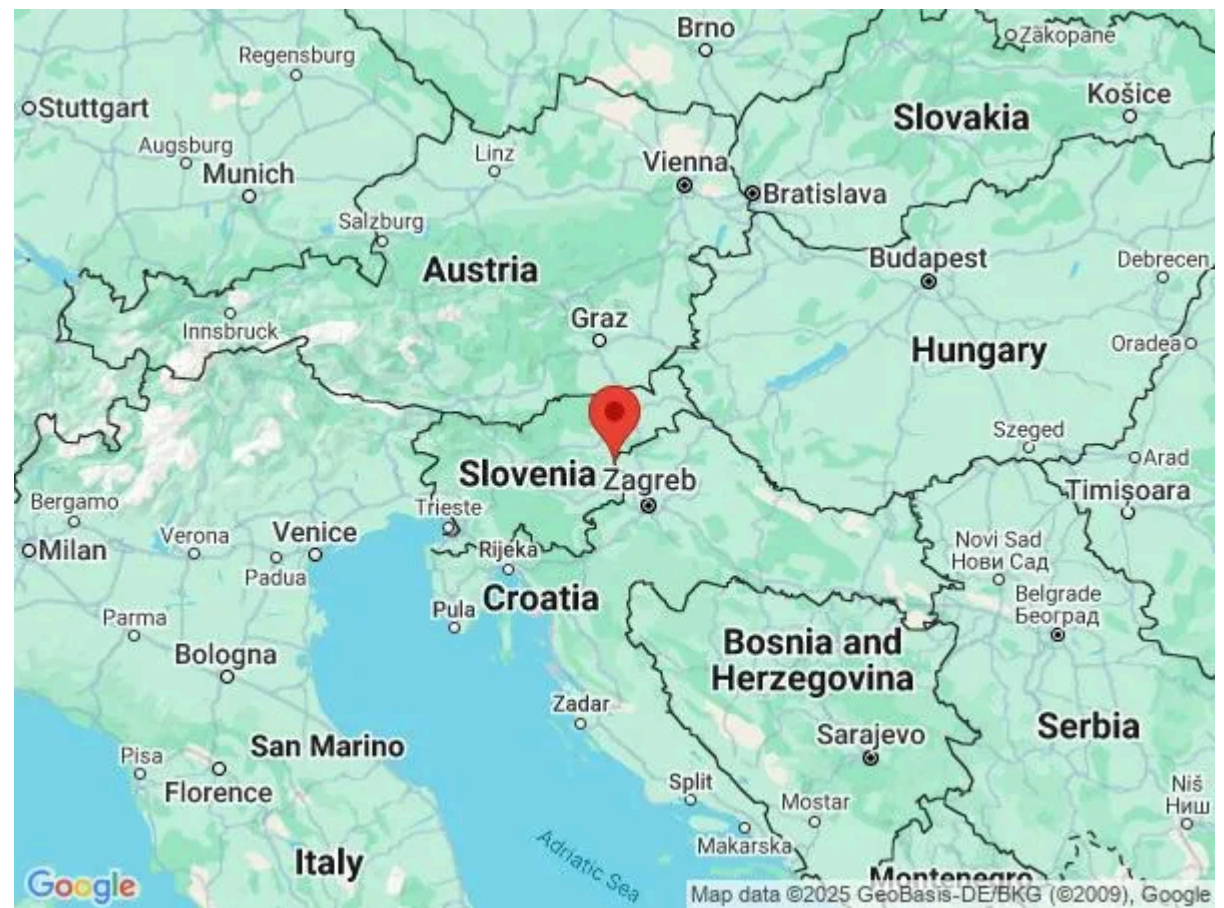

Evelin Lodge is ideally situated to make the most of all that the luxurious Terme Olimia resort and the beautiful rural area of Podčetrtek have to offer. Podčetrtek lies along the dazzling Sotla river, very close to the border between Slovenia and Croatia. The scenic river provides the perfect natural backdrop to the many wonderful facilities at the Adria Olimia glamping village. Should you wish to discover more of this region, there is plenty to explore!

After a few days of complete relaxation, you may wish to take off for an invigorating walk in the countryside. History enthusiasts should make their way to the Olimje Minorite Monastery, an exquisite Baroque church that is also home to a wonderful apothecary. Here, visitors can admire the monastery's fragrant herbal gardens or sit by the ponds and enjoy the tranquil beauty of this peaceful haven.

Meanwhile, the pretty town of Olimje is a charming place to visit for a glimpse into the relaxed pace of life this wonderful region offers. Wander the beautiful streets before stopping off to try some of the mouthwatering delicacies created at the town's boutique chocolate factory, which leaves Olimje smelling good enough to eat! You can also play a round of golf at a local hotel, before visiting the town's craft brewery to sample some Slovenian beers over a leisurely lunch in the afternoon sunshine.

Spend a sunny afternoon strolling along the verdant banks of the River Sotla or hop in the car to visit Kozjankso Regional Park, only a twenty-five minute drive away. This protected park is home to vast stretches of meadows and orchards, as well as rare bird species and the imposing Podsreda Castle. The lovely Kozjansko Apple Festival takes place every year in October and celebrates the region's close connection with its land.

For a day trip slightly further afield, drive for an hour and a half to reach Slovenia's fairytale capital city. Wander the cobbled streets of Ljubljana's Old Town and stop for a coffee before soaking up the atmosphere at one of the

city's outdoor markets. Cultural highlights include the National Museum of Slovenia and the Museum of Modern Art and the impressive Ljubljana Castle with its striking position overlooking the city.

Make your way back to Evelin Lodge in time to spend the evening relaxing in the revitalising waters of Terme Tuhelj or Terme Olimia, letting the day's adventures slowly melt away. After a delightful dinner, return to your peaceful lodge for a glass of wine and an evening of stargazing by the warm glow of the fire.
