Location & Local Information

Villa Canutell enjoys a prestigious location on the southeast of the island, just a ten-minute drive from the island's capital Mahon, and a fifteen-minute walk from the cove of Es Canutells. This quiet, pretty resort is perfect for those seeking rest and relaxation and can be reached by foot directly from the villa. Here you'll find a small but beautiful beach sheltered by low cliffs and surrounded by caves that once served as storage areas for local fishermen. The sands are soft and golden, and the water is calm and crystal-clear, making it an excellent choice for families with children who will enjoy many happy hours paddling and building sandcastles. The coves and inlets are ideal for snorkelling. You might spot exotic polka dot cardinalfish and neon damselfish, as well as the opportunity to explore some of the undersea caves in the area.

The beach is the main draw of this charming resort, with few other tourist attractions. Still, you will find a local mini market and a choice of restaurants around the harbour - all offering delicious local fare and amazing sea views.
