Location & Local Information

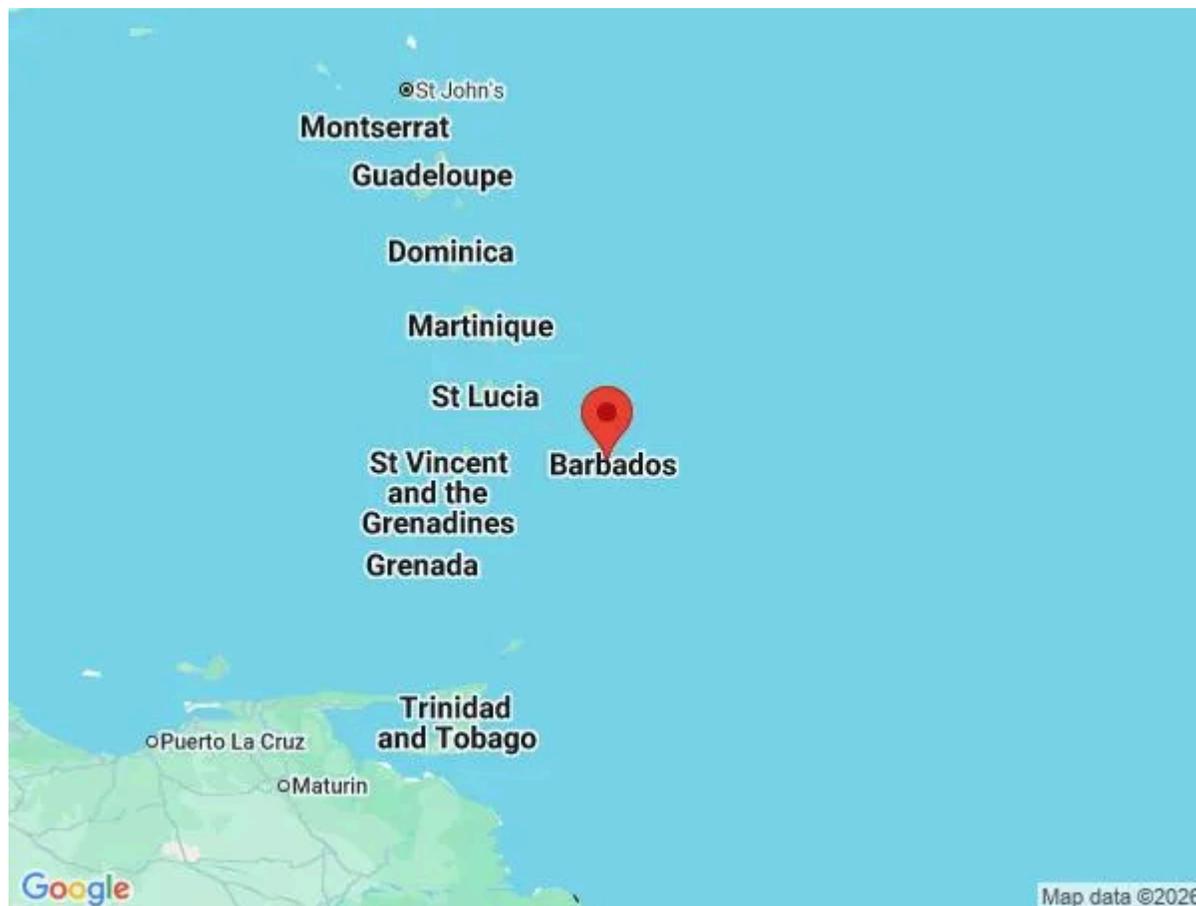

Lime Tree House at Royal Westmoreland is located on the exclusive, world-class golf and beach resort, Royal Westmoreland, on the west coast of Barbados, just moments from the Caribbean Sea.

Barbados is a shimmering island that serves up the Caribbean with a twist. It offers a sweet but spicy dining scene, free-flowing rum punches, cricket, designer shopping and more than ninety-two kilometres of incredible sandy beaches. The beaches are mostly calm on the upmarket west coast and thrilling with rollers on the east. Its turquoise waters are sensational. It is easy to see why the western coast has earned itself the nickname of the Platinum Coast, thanks to its pure sand.

There are many watersports available such as kayaking and jetskiing on the west coast and surfing, kitesurfing and windsurfing on the south-east coast. Mullins Beach is one of the best beaches, which you can easily visit by shuttle from Royal Westmoreland.

The villa is within a ten-minute drive of Holetown, with thriving nightlife near the beach and exclusive shopping. Holetown's The Limegrove Lifestyle Centre offers some fantastic dining opportunities in the Water Courtyard and on the rooftop as well as being one of the most stylish, upmarket places to shop for retail brands such as Armani, Louis Vuitton and Ralph Lauren. The Folkestone Marine Park in Holetown was set up to preserve the coral and shallow areas inhabited by the island's turtles. Two reserve zones are for motorised aquatic sports, another is a scientific zone, and the last is a recreational zone for snorkelling and discovering the amazing underwater world.

Bridgetown boasts attractive waterfront cafes, Parliament Square, fantastic bridges, a boardwalk which runs along the river and bustling colonial streets with pastel-coloured malls and warehouses. It's a fascinating eclectic mix where you can pick up many souvenirs, watch a game of cricket on the green, stand in the shadow of Nelson's statue,

watch live reggae and dance to calypso. The streetscape has barely changed, and streets have their original names, such as Liverpool, Lancaster and Swan.

Barbados is known for its rum, produced on the island for over three hundred and fifty years. You can visit a rum distillery during your trip to taste some of the strongest rum in the world and purchase some as gifts. The Mount Gay distillery was founded in 1703. You can discover the secrets of rum-making at the visitors centre, hear pirate tales and sample the award-winning rums.

Barbados' rolling interior is sprinkled with unique plantation houses, beautiful, lush botanic gardens and sugar cane fields. Though the beaches and the golf are strong pulls, you should not miss out on the beauty of this island's interior.
