Location & Local Information

St James Villa enjoys a fabulous beachfront location with direct access to the fine, glistening sands of Paynes Bay Beach, one of the favourite beaches of the west coast of Barbados. It is the perfect sport for swimming, snorkelling and watersports such as kayaking, sailing and jet skis. Paynes Bay also boasts the Paynes Bay Fishing Complex, a fish processing hall for the fishermen of the west coast where you can buy fresh local fish. On Fridays, you can buy freshly grilled fish from vendors with delicious Bajan side dishes and Bajan rum to wash it down. It is fabulous, close to the island's amazing world-class golf courses and other sporting establishments.

Barbados is a shimmering island that serves up the Caribbean with a twist. It offers a sweet but spicy dining scene, free-flowing rum punches, cricket, designer shopping, golf, polo and more than ninety-two kilometres of incredible sandy beaches. Aside from Paynes Bay, some of the best beaches include Mullins Beach and Gibbes Beach on the west coast, Carlisle Bay and Accra Beach in the south, Silver Sands and Crane Beach in the southeast and Bathsheba in the east. Legend has it that Bathsheba, wife of King David, bathed in milk to keep her skin beautiful and soft. Legend also says that the surf-covered white waters of Bathsheba Beach, rich in minerals, resemble Bathsheba's bath in both appearance and well-being benefits. Visitors head to the rugged east coast of Barbados to breathe the air, soak in the refreshing Bathsheba pools and feel alive.

Just a few minutes' drive away from the condo is the bustling, thriving town of Holetown. Holetown is also renowned for its fantastic dining scene. First and Second Streets are lined with quirky bars that embrace the spirit of the Caribbean. Holetown's Folkestone Marine Park spans several kilometres along the coast and was set up to preserve the coral and shallow areas inhabited by turtles. The marine park is separated into various zones, including two sports zones where motorised aquatic sports are permitted, a scientific zone and a recreational zone where you can snorkel in peace and discover the fascinating

underwater world.

Bridgetown, the capital, offers the quirkier side to Barbados. It boasts attractive waterfront cafes, Parliament Square, fantastic bridges, a boardwalk along the river and bustling colonial streets sprinkled with pastel-coloured malls and warehouses. It's a fascinating eclectic mix where you can pick up many souvenirs, watch a game of cricket on the green, stand in the shadow of Nelson's statue, watch live reggae and dance to calypso. The streetscape has barely changed, and streets have their original names, such as Liverpool, Lancaster and Swan.

Despite being drawn to the beaches, this heavenly island also boasts a stunning interior of rolling hills and wonderful lush botanical gardens. If you only have time for one of the gardens, visit Flower Forest Botanical Gardens near Bloomsbury, Saint Joseph. It is hard to imagine that the gardens were once a sugar plantation as today, it spans fifty-three acres, all sprinkled with beautiful plants, trees and flowers.

If shopping is your thing, the Limegrove Lifestyle Centre is one of the most stylish, upmarket places to head to. It is home to the world's leading retail brands, including Armani, Louis Vuitton, Michael Kors, Gucci and Ralph Lauren. The brightly painted shops at the Chattle Village are renovated Chattle homes and are absolutely charming and worth a stop for souvenirs.

Barbados is famous for cricket, polo and golf. It is home to many prestigious golf clubs, including The Royal Westmoreland Golf Club and Sandy Lane, with three courses. Holders Hill is the main polo venue on the island, where you can spend a very civilised afternoon watching the polo while enjoying a superb afternoon tea at the same time. Cricket fans enjoy a trip to Kensington Oval, the oldest, prime sports venue in Barbados, established in 1882. Aside from cricket, Kensington Oval is also the venue for soccer, hockey, concerts, music festivals and the summer festival of Barbados, Crop Over.
