## Location & Local Information

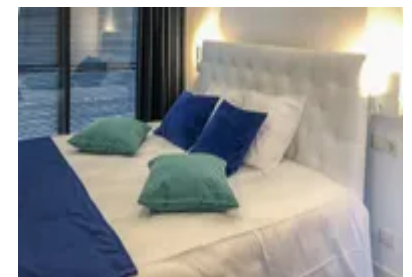

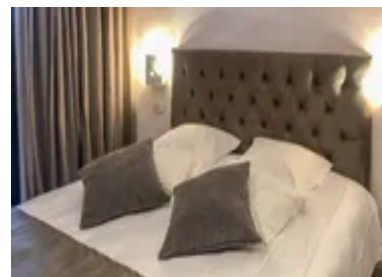

The luxurious area of Es Castell is located close to Menorca's southern beaches and the island capital of Mahon. Providing an excellent base for exploring all that Menorca has to offer, Es Castell is a prime location for spending lazy summer evenings and fine dining, with the restaurants and bars along the fishing harbour of Cales Fonts being favoured by locals and tourists alike. You'll find a good range of shops and supermarkets here, and as you head further in from the harbour, there are more bars and restaurants serving good-value set menus that are priced lower than those on the waterfront. In the central square, there is a morning market where you can buy trinkets and souvenirs and, in the summer, additional night markets selling artisan foods and handicrafts.

While there's no beach here at Es Castell, there are some delightful access points into the sea for those who love to swim, as well as sunbathing platforms.

The capital of Mahon is located just 3 km away and is easily accessible via bus or taxi. The city is home to the famous Xoriguer Gin distillery, where you can enjoy free samples of gin, liqueurs and other spirits before deciding what to buy - so be sure to stop in and purchase something delicious to enjoy back at the villa! Another popular draw for visitors to Mahon is the bi-weekly market where fruit, vegetables, meat and fish are sold in the cloisters of the hilltop church overlooking the harbour. The harbour here is one of the largest in the world and is lined with top-quality eateries serving up delicious local cuisine, as well as offering buzzing nightlife - so it's well worth a visit during your trip.

From Mahon, it is easy to travel to some of the beaches along the south coast, such as the charming unspoiled Cala Mesquida, which is popular with families thanks to its calm, clear waters and relaxed atmosphere and is a popular spot for snorkelling.
