What we love

- Chalet Joelle had the perfect location for us as a group. Skiers could easily access the slopes while those of us who prefer to stay back were only a short walk away from the resort centre
- Although we were a larger group, Chalet Joelle was the perfect size to comfortably accommodate us all
- Our kids absolutely adored the in-home cinema during their stay at the chalet

What you should know...

- If you're planning on travelling with young children and require provisions such as baby cots and highchairs, please request them at the point of booking to ensure they are set up at the chalet before your arrival
- The area around Chalet Joelle is slightly sloped and varies in elevation which may not be suitable for guests with mobility issues
- The hot tub should not be used by children under the age of five and older children should be supervised at all when using this facility
