What we love

- Chalet Coralie is a picture-perfect ski chalet, like something you'd find in a fairy tale!
- The in-chalet wellness area was perfect for warming up and winding down after a day on the slopes
- As a group of skiers and non-skiers, Chalet Coralie's location was perfect for us due to its proximity to both the slopes and the village centre

What you should know...

- The Courchevel resort is spread across several villages, so we recommend renting a vehicle if you wish to get out and about during your stay
- Children under five are advised not to use the sauna or hot tub, and older children should always be supervised when doing so
- Please let us know at the time of booking if you plan to travel with infants so that the chalet staff can prepare baby cots and highchairs ahead of your arrival
