What we love

- We loved how modern Chalet Amelie was inside while maintaining its picturesque Alpine exterior
- The breakfast service was perfect for our group as it let us sleep in a little longer and not have to worry about waking up to prepare food during our holiday
- As a mixed group of skiers and non-skiers, we loved how close Chalet Amelie was to everything which kept everyone in the group happy

What you should know...

- If you're planning on visiting the chalet with infants, please let us know at the point of booking so that the chalet staff can provide amenities such as cots and highchairs for you
- Children under the age of five are advised against using the hot tub and steam room, and older children should always be supervised when doing so
