Location & Local Information

Casa Deluxe Funchal is based just 10 minutes away from the centre of Funchal, placing guests within a short distance of the beating heart of this bustling area. For those looking to experiment with their cooking skills whilst, on holiday, a trip to The Mercado dos Lavradores is a must-do activity. This acclaimed farmers' market showcases a wide range of fresh fruits, vegetables, and flowers from across the region, giving guests a chance to pick up some unusual ingredients to use in their own dishes. The most attractive element of this landmark is its decorative exterior, which is covered in Azulejos. These are hand-painted tiles that work to depict key moments within Portugal's immense history. The Mercado dos Lavradores is situated just under 5 minutes away from the villa.

Santa Catarina Park is located just under 10 minutes away from Casa Deluxe Funchal and is a great place to visit if you wish to detach from the hustle and bustle of everyday life and truly reconnect with the wonders of nature. This park is covered in large starches of emerald-green grass and looming trees, making it ideal for those who are looking to escape the blazing heat of the sun. Guests can also travel towards the small lake area, which is home to a small family of ducks and swans. As such, this is an ideal attraction to visit if you wish to deepen your understanding of the rich horticulture and wildlife seen throughout this area.

One of the most significant landmarks within this area is Igreja de Nossa Senhora do Monte, which is translated as The Church of Nossa Senhora do Monte. This monument was first built in 1470 by Adao Gonclaves Ferreira, who many consider being the first man to be born in Madeira. In addition, this church also holds the remains of Charles I of Austria, a political exile who unfortunately died in Madeira in the 1920s. Thus, guests are encouraged to explore every aspect of this building, expanding their cultural horizons and learning more about how this area continues to uphold its timeless religious and historical legacy. Igreja

de Nossa Senhora do Monte is based just over 15 minutes away from the villa.
