What we love

- The apartment's spacious open-plan living area with a glowing fireplace and mountain views is a perfect place to settle down in after a day on the slopes.
- The apartment's proximity to the ski lifts is an added bonus and makes it incredibly easy to access the slopes
- The Family-friendly bedroom layout with a fun bunk room is perfect for younger guests.

What you should know...

- While the apartment is conveniently located near the ski lifts, the residence sits near a main road, therefore occasional noise may be heard from the surrounding area.
- The slopes located a short walk from the property may not be skiable during the start and the end of the season due to varying snow conditions
- The bunk room is only really suitable for younger guests due to the size of the beds.
