Location & Local Information

This three bedroom penthouse enjoys a prime position within the exclusive Shore Club on Long Bay in Providenciales, one of the most beautiful islands in the Turks and Caicos archipelago. Known for its powdery white sand, calm turquoise waters and year round sunshine, the island offers the perfect blend of relaxation and adventure. Long Bay Beach stretches for miles with shallow, crystal clear waters, while nearby beaches such as Sapodilla Bay, Blue Hills Beach, Pelican Beach and Taylor Bay offer equally breathtaking coastal scenery.

Long Bay has also become famous as one of the best kiteboarding destinations in the British West Indies thanks to its steady trade winds and wide open shoreline. Golf enthusiasts can enjoy a round at the nearby Provo Golf Club, an impressive 18 hole championship course set among natural island landscapes, swaying palms and inland lakes.

For a taste of local culture, visitors can head to the weekly Island Fish Fry at Bight Children's Park, a lively evening of Caribbean food, music and entertainment. Snorkelling is another highlight, particularly at Smith's Reef near Turtle Cove, where colourful fish, turtles and vibrant coral create an unforgettable underwater experience.

From boat trips and water sports to food tours, wellness treatments and beachside relaxation, Providenciales offers something for every type of traveller.
