Location & Local Information

This elegant two bedroom plus study suite at The Shore Club sits on the exclusive Long Bay Beach on the beautiful island of Providenciales in Turks and Caicos. Providenciales, often known as Provo, is celebrated for its turquoise waters, powdery white sand and warm year-round climate, making it a dream destination for relaxation and adventure. Long Bay Beach stretches for miles along the island's southeast coast and is famous for its calm, shallow waters and steady trade winds that make it one of the Caribbean's best kiteboarding locations. Nearby beaches such as Sapodilla Bay, Taylor Bay, Blue Hills Beach and Pelican Beach offer equally breathtaking scenery and tranquil swimming spots. Visitors can also enjoy a round at the Provo Golf Club, an impressive 18-hole championship course surrounded by native island flora, inland lakes and swaying palms, where colourful birds such as herons and flamingoes are often seen. The island's vibrant culture comes alive at the weekly Island Fish Fry at Bight Children's Park, where visitors can sample fresh seafood, enjoy local music and watch traditional performances. Snorkelling at Smith's Reef reveals colourful coral gardens and marine life including turtles, rays and tropical fish. Turks and Caicos offers unforgettable experiences from boat trips and water sports to horseback riding, wellness treatments and relaxed island evenings.
