Location & Local Information

Grace Bay Beach on the island of Providenciales offers visitors a world-famous, three-mile stretch of pristine white sands and sparkling turquoise waters, considered by many to be the jewel of the Turks and Caicos Islands. The Premium Oceanfront Suite is located within the Sands at Grace Bay, a luxury resort with a breathtaking location on the shores of Grace Bay and a host of exceptional amenities for guests to enjoy, including three fabulous swimming pools and a secluded coconut grove.

Known locally as Provo, the island of Providenciales is situated at the heart of the Turks and Caicos archipelago in the tropical waters of the Atlantic Ocean. Water sports enthusiasts will be amazed by Provo's adventures, from paddle boarding and sea kayaking around secluded inlets to parasailing with a bird's eye view of the expansive barrier reef. A private cruise is a perfect way to explore some of the Caribbean islands that make up the Turks and Caicos while spotting majestic humpback whales or delightful Atlantic bottlenose dolphins will be sure to make a boat tour of the bay even more magical.

For something a little different, local tour providers also offer sunset cruises to observe the monthly mating ritual of marine glow worms in the shallow waters of the Caicos Banks along the island's southwest coastline. This enchanting experience gives visitors to Providenciales the opportunity to witness a stunning natural phenomenon that occurs only in this part of the Caribbean, with the sea's surface coming to life with vibrant green flashes of light produced by millions of tiny glow worms.

For adventure seekers, a day trip to the fascinating Conch Bar Caves on the island of Middle Caicos makes for an exciting day out, providing a glimpse into the unique natural and cultural history of the Turks and Caicos Islands. Underground lakes are hidden amongst the stalactites and stalagmites of this network of limestone caves, which were used as shelters and sacred sanctuaries by the native Lucayan people.

Back on Providenciales, golf enthusiasts can look forward to playing on one of the best eighteen-hole golf courses in the Caribbean. At the Royal Turks and Caicos Golf Club, the scenic waterways and picturesque limestone surroundings of the course are sure to bring out the very best in your game! Later, indulge in light retail therapy at the clubhouse before a sunset drink on Grace Bay Beach.

Visitors to the Turks and Caicos Islands will be enchanted by the laidback way of life on Providenciales. After another day spent soaking up the island's wonders, you can take an evening dip in the ocean's warm waters before a delicious dinner and drinks under the stars on your private balcony.
